Auctions have been a family tradition since the 1950s, and are in our blood. Our physical location and onsite facility is called "Morts Auction Field" Started by Jeff's Grandfather, the late Mort McShurley. This facility still operates today and continues to grow every year! At Jeff Boone & Associates Auction & Realty, our hard work is supported by our core values, which are the foundation of all we do. We maintain these values so you can be confident in everything that carries our name.

Our focus is to deliver results and exceed your expectations.

Over the past 30 years we have had an amazing partnership with Terry Sheets. In 2018 Terry & Jeff came together to create Jeff Boone Realty. From selling your current home to finding your next, we will be there every step of the way. From estate auctions, downsizing, and retirement we can set up, clean up, and finish the job specific to your needs.

We hold our standards high, and expect every member of our team to live with the Deep Roots of Honesty, Integrity, and Loyalty.
